

MULTI-PURPOSE SPRAY WITH PTFE

Designed as a heavy duty multi-purpose maintenance spray. The solid lubricant (PTFE) carries on protecting, even if the liquid fails.

APPLICATIONS:

- Long term lubrication with the addition of PTFE
- Repels and displaces water from moving parts and electrical apparatus
- Reduces friction

Dry PTFE Lubricant Spray			
DLA505	500ml	12	£8.60

SILICONE SPRAY

A universal high-grade silicone lubricant which may be used as a general purpose release agent and light lubricant.

APPLICATIONS:

Plastics, wood, rubber, furniture and a multitude of uses in industry

- Safe, non-toxic, non-flammable
- Stainless, odourless, colourless
- Water repellent, non-stick. Safe with food stuffs
- Outstanding mould release agent

PRODUCT CODE	PACKAGE SIZE	PACK SIZE	PRICE PER CAN
Silicone Spray			
DLA504	500ml	12	£4.80

OPEN GEAR SPRAY

Special solvents allow this tenacious open gear lubricant to penetrate deeply, then evaporate to leave a thick lubricating film. Powerful resistance to water wash off.

APPLICATIONS:

Slides and guides on forklifts, cranes, gear and wire ropes, roller shutters, exposed heavy duty gears, etc.

- High performance lubricant
- Penetrates deeply, then dries to a thick lubricating film
- Prevents friction
- Anti-wear, extends machinery life
- Water repellent
