SPRAY ADHESIVE

APPLICATIONS:

A heavy duty spray adhesive, specially designed for use where good initial strength and rapid build up of ultimate strength is desired. Perfect for bonding difficult materials such as laminates, veneer edging and polyethylene. Excellent on glass, rubber, wood and metals, also upholstery foams and fabrics.

- High strength
- Water resistant
- Heat resistant up to 50°C
- Ideally suited to foam based materials

PRODUCT CODE	PACKAGE SIZE	PACK SIZE	PRICE PER CAN
Spray Adhesive DLA515	500ml	12	£5.90

BELT DRESSING

APPLICATIONS:

A superb product to clean and condition your belts. Belt dressing will not collect dirt, dust or lint and penetrates to remove previous dressings. It waterproofs even in high humidity conditions.

- Extends belt life and increases transmitted power by reducing slippage
- Can be used on all types of industrial belts, conveyors and 'V' belts
- Cleans and conditions belts

PRODUCT CODE	PACKAGE SIZE	PACK SIZE	PRICE PER CAN
Belt Dressing DLA507	300ml	12	£4.75
