

FOOD GRADE EXTREME PRESSURE GREASE

APPLICATIONS:

The effect of extreme pressure additives and PTFE combine to provide a high degree of anti-wear performance. This NSF (H1) registered Food Grade grease is ideal in heavily loaded, wet and saturated environments, and where there is a presence of dust and other contaminants.

- Clean versatile lubricant
- Excellent extreme pressure and anti-wear performance, prolongs component life
- Excellent degree of water resistance
- Temperature range: -50°C to +165°C
- NSF (H1) registered

Colour - White

Food Grade Extreme Pressure Grease			
DLA531FG	400gm	12	£10.10
DLA531FG	12.5kg	1	£265.00

FOOD GRADE BEARING GREASE

A Food Grade anhydrous grease for use in anti-friction and plain bearings found in food processing environments.

APPLICATIONS:

May include pumps, bearings, conveyor bearings, etc.

- High resistance to impact, corrosion and water wash off
- Good sealing properties
- NSF (H1) registered
- For all plain & anti-friction bearings found in food processing environments
- Temperature range: -20°C to +120°C

Colour - White

PRODUCT CODE	PACKAGE SIZE	PACK SIZE	PRICE PER CARTRIDGE
Food Grade Bearing Grease			
DLA532FG	400gm	12	£4.75
DLA532FG	12.5kg	1	£125.90

HEAVY DUTY GREASE GUNS

- Suitable for bulk fill or cartridge
- Quality steel bodies, side lever
- Ventilation valve
- 150mm steel tube, 200mm flexi-tube, 4 jaw hydraulic connector

PRODUCT CODE	PRICE
DLA1032	£28.50

MOBILE GREASE APPLICATOR

These mobile units are air operated for high pressure greasing to be used with grease taken directly from original containers.

FEATURES:

- 12.5kg Size
- 55:1 ratio grease pump
- 2mtr braided flexible hose
- High pressure hand grip trigger valve
- 'Z' swivel
- Steel drum cover
- Drum trolley with 2 wheels (3 on 50kg unit)
- Pump carrying handle

FOLLOWER PLATE

PRODUCT CODE	SIZE	PRICE
DLA1113	Air Operated Mobile Grease Unit 12.5/18kg containers	£368.50
DLA1116	Follower Plate - 12.5kg Containers 260-230mm Diameter	£31.00
